Relevant Coursework: Data Structures & Algorithms, Database Management, Machine Learning, Data Mining, Statistical Analysis, Data Visualization, Business Analytics

Grade: First Class Honours (CGPA: 3.6/4.0)

SKILLS

Technical Skills	Python, SQL, R Programming, HTML/CSS, JavaScript
Tools	Power BI, Tableau, Excel (VBA Macros), SAS Enterprise Miner, Microsoft Office
Soft Skills	Critical Thinking, Problem Solving, Decision Making, Adaptability, Diligence
Languages	English, Hindi, Urdu, German

EXPERIENCE

Data Analyst & CFO Support Intern	Sep 2024 - Feb 2025 ; Mar 2026 - Present
Mercedes-Benz Parts Logistics Asia Pacific	<i>Kuala Lumpur, Malaysia</i>

- Conducted data extraction, transformation, and validation on previously unexplored datasets, helping identify key areas for financial process improvement.
- Analyzed financial KPIs including revenue, expenses, pricing, and stock metrics to support planning cycles and improve business visibility.
- Identified patterns and trends in large-scale datasets, enabling more informed decision-making and improving reporting accuracy.
- Developed standard and custom Power BI dashboards to streamline revenue analysis, budget tracking, and investment monitoring across departments.
- Generated ad-hoc reports to evaluate specific business requirements.

PROJECTS

Social Media Slang Classification Model. Developed an NLP-based machine learning system to analyze the evolution of digital linguistics across Reddit comments (2014–2024), achieving 90.47% accuracy through an optimized ensemble model and deploying an interactive dashboard for linguistic trend visualization.

EXTRA-CURRICULAR ACTIVITIES

- Co-founder and Vice President of the APU No-Code Collective club, organizing activities and initiatives focused on no-code development to bridge gaps between technical and non-technical students.
- Contributed as Event Committee member for the APU Blockchain & Cryptocurrency Club, supporting event planning and community engagement initiatives.
- Achieved First Runner-Up at APU Startup Weekend for developing and presenting an innovative startup solution to help boost the growth of SMEs in Malaysia.
- Awarded Vice Chancellor's List for Academic Excellence and recipient of multiple APU International Scholarships & Merit Awards.
